Quarterly Newsletter- October 2020

It is hard to believe but it is now October of 2020. This is our last newsletter of the year. We understand it has been a hard, tumultuous, and uncertain time for many of us. We are inspired and impressed by the perseverance, creativity, and fortitude of all of the tenants we service. Across social media channels, we have witnessed kindness and unsurpassed compassion as the world has tried to figure out how to cope and move forward.

Many of our staff members are still working at home to curb the pandemic and we are still here to provide superior service to the landlords and tenants. We hope this newsletter brings some joy to you, as we quickly approach the holiday season, and we hope we can continue to support you in the capacity that we can. Thank you for all that you do for your customers and community.
